Brussels

“ A STRONG PATIENTS' VOICE TO
DRIVE BETTER HEALTH IN EUROPE ”

Young patients
are young
people!

Who we are?

Young patient
representatives
between 15 and
29 years old

ABOUT US

Where we come from?

Our goals

1

Strengthening the involvement and representation of young patients in patient organisations

2

Promoting young patients' rights and recognition of their needs and expectations within and beyond health policy area

3

Promoting a better cooperation between young patient and adult patient advocates

4

Strengthening young patient representatives' skills and self-confidence

WHAT WE DO

We raise awareness on young patients needs

WHAT WE DO

Engage young people through social networks

The screenshot shows the Facebook page for 'European Young Patients'. The page features a cover photo of a diverse group of young people. The page name is 'European Young Patients' and it is categorized as a 'Community Organization'. The page has 479 likes and 343 post reaches.
