

WORKSHOP 6: Nordic Cooperation

Camille Bullot, EPF Membership Officer

Lund (S), 24 November 2015

“ A STRONG PATIENTS’ VOICE TO
DRIVE BETTER HEALTH IN EUROPE ”

Objectives of the workshop

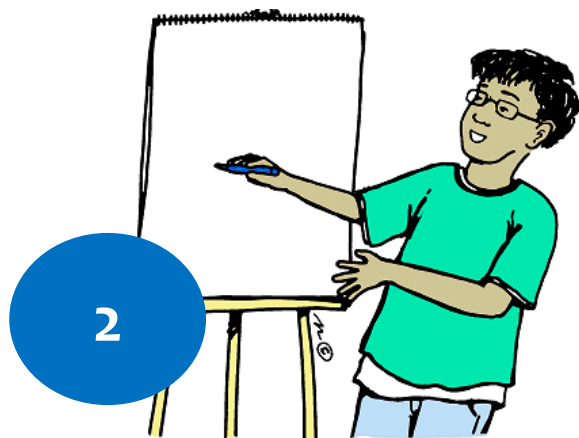

- Learning more about the healthcare system of each country
- Identifying factors that support and challenge Nordic cooperation
- Identifying topics/issues where Nordic cooperation should be reinforced

Structure of the workshop

- Introduction
- Objectives
- Tour de table

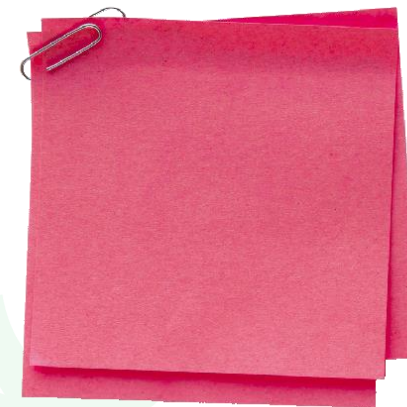

It's presentation time!

Features of the healthcare system in the country

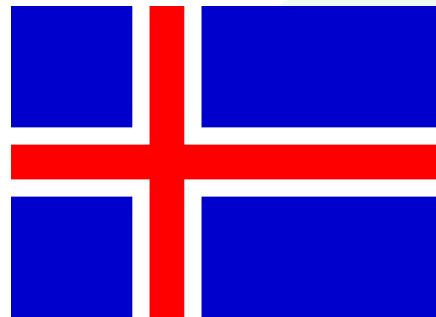

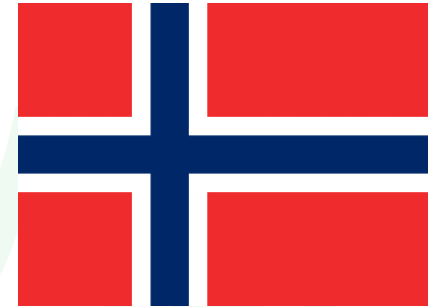

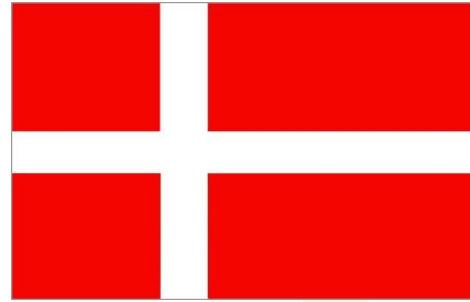

Success story of Nordic Cooperation

Hurdles to Nordic Cooperation

Pitch your country's healthcare!

Brainstorming

- What are the topics where cooperation has an added value?
- What are the actions to undertake to promote Nordic cooperation in healthcare?
- What are the stakeholders to involve beside patient organisations?
