An online platform for EPF

- Our growing membership: more interests, more needs, more synergies, more people, more interactions!
- Escaping from bilateral communication
- Offering a platform for exchange between meetings

An online platform for EPF

Learnings from the survey!

We should put only original contents!

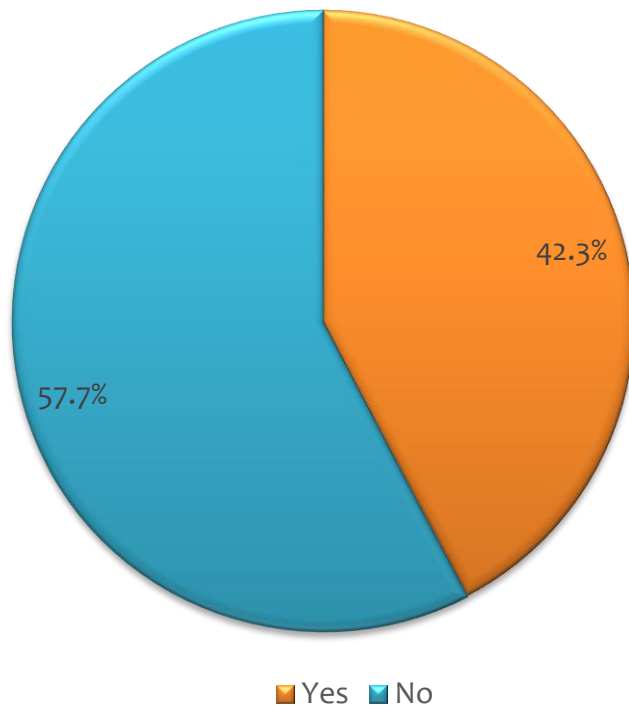

Another platform, really?

- **Easy to use!**
- Tips – informal communication
- Collaboration on documents
- Like/Voting options

Learnings from the survey!

Do you already correspond with other EPF members outside of EPF activities?

What do you want to see?

- Short policy papers and statements on current issues,
- Presentations
- Capacity-building material
- Promoting our events

What functionalities?

- Thematic groups
- File sharing
- Calendar function
- Discussion fora
