

Future of European Health Cooperation

Social Media Actions

39 organisations have today written to President Juncker asking him to reaffirm health as one of the core responsibilities of the EU in the current debate about the future of Europe.

You can read the letter [here](#).

Please join our campaign to ensure continued EU action on health, supported by a robust EU health programme under the leadership of a dedicated directorate in the European Commission.

Tweet to show your support using the hashtags #HealthUpEurope #TeamJuncker #FutureofEurope
