### Transport & Logistics

#### From Sofia Airport to Central Hotel Sofia:

As Bulgaria is not part of Schengen Area – passport checks are mandatory. Sofia airport has two terminals which are far from each other. Terminal 1 is the old one and there are direct buses going downtown: bus 84 and bus 184, however there is a free bus connection between the two terminals. Terminal 2 is the new one and there is a direct metro connection towards downtown - **Serdika Metro Station**. If you land on Terminal 2, just hop on metro line 1 and get off at Serdika Metro Station. More information can be found [here](#).

Useful tips: One ticket is one ride. If you are traveling with checked-in bags you need to purchase tickets for your bags as well. Please have **cash on you** in advance, Bulgarian currency is [LEV](#) and it is pegged to the EURO (fixed, no daily changes).
