

WEBINAR AGENDA

Digital Health and European Reference Networks in the context of the Cross-Border Healthcare Directive evaluation.

23 March 2021 · 15:00 - 16:30h

GoToWebinar

This webinar aims to inform and engage EPF members and the broader patients' community on the ongoing **evaluation and consultation work on the Cross-border healthcare Directive (2011/24/EU)**. Following an introduction on the EPF work on the Directive, European Commission representatives will raise awareness on the ongoing evaluation of the Directive and focus on how EPF Members can engage in the consultation process. Finally, participants will discuss and share patient experiences in cross-border healthcare using the Directive's provisions.

<p>15:00-15:10</p>	<p>Introduction and summary of EPF work on the CBHC Directive <i>Kaisa Immonen, EPF Director of Policy</i></p>
