Agenda of DAY 2

National Working Groups

National Working Groups

Key objective:

To **apply** knowledge and information acquired during the first day (introductory session, workshops and policy-makers panel) **in order to develop short-medium term strategies and action plan** for **strengthening patient professional cooperation** in each of the four countries.

National Working Groups

What will you discuss?

1. Brainstorming on national health policy priorities in the next 3-5 years
2. Health professionals and patients views on identified health policy priorities
3. Working out a strategy to reinforce the cooperation between patient and health professional organisations and improve the cooperation and partnership with national decision-makers
4. Developing a plan for patient–professional organisations cooperation on the key health issues identified

National Working Groups

How will you work?

- Each group appoints a Chair and 1-2 rapporteur(s), e.g. one patient and one professional
- Discussions will take place in the national language
- Outcomes will be reported in the afternoon in English by the rapporteur(s) using a power-point presentation (5-8 minutes MAX)
