BACKGROUND

The European Patients' Forum (EPF) is one of the most prominent civil society organisations active in health policy at European level. EPF is the umbrella organisation of patient organisations across the EU and a driving force to advance patient empowerment and involvement in EU health policy debates. EPF's vision is to ensure equitable access to high-level, patient-centred care for all patients in Europe.

EPF engages in policy advocacy and campaigning and participates in EU-funded projects. We organise educational and policy events, and capacity-building initiatives.

EPF was founded in 2003 and is a non-governmental, non-profit organisation with a secretariat based in Brussels. EPF currently represents 75 members, which are national coalitions of patient organisations and disease-specific patient organisations working at European level. We reflect the collective voice of the estimated 150 million patients living with various chronic diseases throughout Europe.
