11:40 – 12:00 | Coffee Break

2. Zooming into the Multiple crises

12:00 – 13:15 | Parallel Interactive Workshops

Workshop 1 – Economic Crisis and Youth Patient Advocacy

Exploring how the current economic crisis impacts young patient advocates and youth engagement more broadly, including access to resources, opportunities, and participation in policy spaces.

Moderator: **Marleen Sorensen**, Vice-President, EPF Youth Group.

Speakers: **Michele Migliori**, Policy Analyst, Health and Societal Resilience Programme, European Policy Centre;

Alison Maassen, Programme Manager, EuroHealthNet.

Workshop 2 – Geopolitical Shifts, Conflicts & Shrinking Welfare States: What It Means for Young Patients

How wars, economic instability, EU-level shifts and national policy changes are reshaping access to health-care, social protection and patients' rights - and why young patients are often the first to feel it.

Moderator: **Natalie Pidmurniak**, Young patient advocate from Ukraine; Medical resident
Youth medical diplomacy | WHO Youth Delegate (Ukraine).

Speakers: **Louise Bonneau**, Advocacy Officer; Access to Justice, Racial Equality and Health, PICUM.

Workshop 3 – Climate, Health & Chronic Conditions

Understanding how climate change and environmental crises affect health systems and people living with chronic conditions – and where youth advocacy can drive change.

Moderator: **Anna Murdock**, Health and Care Policy Officer, European Federation of Allergy and Airways Diseases Patients' Associations

Speakers: **Aleksandra Kazmierczak**, Coordinator, European Climate and Health Observatory, European Environment Agency;

Szymon Gorny, Board Member, Generation Climate Europe; healthcare public affairs and environment.

13:15 – 14:30 | Lunch

14:30 – 15:15 | Report back from workshops

Moderator: **Marleen Sorensen**, Vice-President, EPF Youth Group.

Speakers: **Natalie Pidmurniak**, Young patient advocate from Ukraine; physician and global health researcher;

Anna Murdock, Health and Care Policy Officer, European Federation of Allergy and Airways Diseases Patients' Associations.

3. Power & Participation

15:15 – 16:30 | Plenary 2: Power & Participation: Who Gets a Seat at the Health Policy Table?

Discussion with young representatives across the health ecosystem on strengthening meaningful youth representation in health policy.

Moderator: **Andreas Christodoulou**, EPF Treasurer and Board Member, Former EPF YG President

Speakers: **Sarunas Narbutas**, Co-founder and Chairman, Youth Cancer Europe;

Johanna Kintrup, Treasurer, European Pharmaceutical Students' Association (EPSA);

Danai Spentzou, Accredited Parliamentary Assistant at the European Parliament and Coordinators of the Young Voices in Health Policy (YVHP);

Jana Hlaváčová, Minister of Health Czechia - HTA Unit, and Former EMSP Youth Group Member
