e-mail: yolitapavlova@abv.bg

facebook: [Yolita Ratata](#)

About me:

I am a Psychology graduate and a volunteer in self-help groups. I am working with "Only today" NGO for prevention and treatment of addictions in Bulgaria since 2010. I am also a youth representative with Confederation "Health Protection" which is one of the biggest umbrella organizations of patients in Bulgaria. I joined the EPF Youth Group in 2012 and since then I work with them to represent and protect young patient rights in EU.
